A Well-timed Sale of Desirable Wash Fabrics at Very Low Prices

Order Through Our
Kansas Mail Order
Service

Beginning tomorrow we inaugurate a sale of wash goods that is most extraordinary in point of value and quantities, thus early in the season. The actual need for most of these materials has only just begun. We have paid little heed to market values in this clearance—but grouped the different lots with a view to quick selling. The variety is so good that you can select good materials for all your summer dresses and suits from the following four lots—from 5c to 15c a yard.
